

LOTG

Forest schools began last week. Sadly, because of very high winds on Tuesday 4th, one group from Parrots was unable to go on account of health and safety regulations. However, Mrs Ottaway will be re-scheduling so that the group do not miss a session.

Thank you!

We would like to say thank you for attending School Cloud parent consultations. It is very helpful to hear your thoughts and we appreciate your support and help with the transition back into school.

Y4 Team

COMING SOON IN TOPIC

Our next topic focus will be on Volcanoes and Tsunamis. The children will be learning about tectonic plates and discovering the top ten volcanic hotspots around the world.

PSHE

Continuing our relationships topic we will be teaching the children to recognise how friendships change, know how to make new friends and how to cope when they fall out with their friends.

In science...

We will be looking at and making electrical circuits. We will also be looking at mains and battery powered appliances.
