

Newsletter

Term: Summer 2021

Issue No: 19

Date: 14th May 2021

Dear Parents and Carers

With an announcement from the Prime Minister planned for Monday, we are hopeful that the majority of activities we usually have planned for this term can still go ahead. Mr Webber is busy planning Sports Days for the children and Mrs Deeks is organising plans for Induction Day, particularly for those children who will either be moving to the Leigh or Brockham sites. We will write to you with a list of dates and details in the next Newsletter. However, one important date to just remind you of is our next...

...INSET Day is on Friday 28th May.

Children will finish for the half term on Thursday 27th May and return to school on Monday 7th June.

Polite Reminder

As you are aware, dogs are not permitted on school premises. However, could I just ask you to please be mindful that some children and parents are very wary of dogs and that you therefore refrain from bringing your dogs to the school gates. There have been occasions recently where some of the younger children have been fearful of walking past. Thank you for your help and understanding in this matter.

FONDS Logo Competition

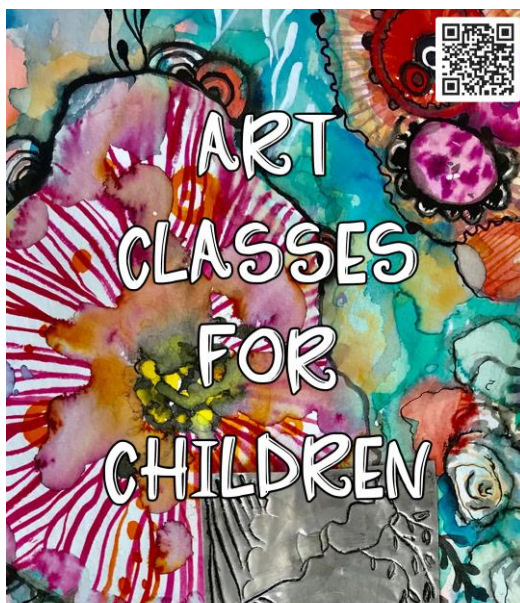

Thanks to all the children who entered the FONDS logo competition. The entries have now been sent to the teachers for judging!

Winners will be announced shortly so watch this space.....

Team FONDS

art-K has just launched on the **High Street in Reigate!** We are offering educational art activities on Saturdays and after school. At art-K children aged 6-16 get individual attention to develop their art skills in all mediums. It's great for dexterity, observation, and developing project skills. We draw children into a love of colour, which is an extremely absorbing experience.

All staff are DBS checked & studios are covid-secure. We have voluntarily registered with Ofsted to take childcare vouchers as payment.
