

Year 2 Learning Letter

Friday 21st May

What will we be learning about in the next two weeks:

In **English**, we will be finishing our Traditional Tales work and then spending a week concentrating on reading comprehension skills.

In **Maths** we will be continuing our work about position and direction.

In **R.E.** we will be learning about religious symbols and why they are important in some religions.

In **P.S.H.E** we will be learning about our 'Changing Me' topic.

In **Science** we will be continuing our topic 'The Apprentice gardener' and looking at plant life cycles.

In **Topic** we will be learning about hot and cold countries around the world.

PSHE - Changing Me

Next half term's PSHE topic is 'Changing Me'. A separate attachment will be sent to you containing details of what is taught based on the statutory requirement in this subject. Please read these so that you know the areas we will be covering. Thank you.

Class Logo competition winners

Congratulations to Aliona Apsley and Ruby Snell, who are the winners of the FONDS Class Logo competition. The entries were all superb and we had trouble choosing two winners but the logos chosen were just great. You can see them at the top of this letter and larger over on page 2 and they will be used for each class from now on. Well done again!

Ways to help your child

Using scissors and being able to cut accurately is an important skill that children will need as they progress through their school life and any extra help you could give on this at home would be very much appreciated. Some general fine motor skills activities which can also help are picking up objects with tweezers or chopsticks, sewing and even practising the lashing skills we have been learning in DT.

Rain Rain Go Away...

This week there have been quite a number of children coming to school without a coat and given the on-off and sometimes heavy rain this has made playtimes tricky for some. We do always endeavour to go outside and we would request that all children have a waterproof coat with them everyday.

Spelling Patterns

Week beginning 24/5 using the suffix *-ful* e.g. *helpful, useful*

Week beginning 7/6 using the suffix *-less* e.g. *unless, useless*

Remember to log into Spellzone.com to practise these patterns
