

Year 5 Learning Letter

Friday 21st May 2021

Edition No 12

Design Technology

As part of our Design Technology topic, we have been learning about the importance of food hygiene and safety, as well as a balanced diet. As you can see, we had fun making fruit kebabs.

Logo Competition Winners

The proud winners of the class logo competition are:
Flo Curphey for Skylarks, and
Alex Jenik for Nightingales.

RHSE update:

Please be advised that, after half term, as part of our JIGSAW "Changing Me" topic, we will be teaching 'Having a baby' as part of our Relationships and Sex Education. You do have the right to withdraw your child from this lesson, if you wish. Please contact your class teacher to discuss further or if you would like to see some of the resources used.

Surrey Wildlife Trust - 30 days Wild

During the half term holiday, you may wish to start the Surrey Wildlife's 30 days Wild Challenge. The children could make daisy chains, look at cloud shapes, run through the grass with bare feet or closely observe creepy crawlies.

Change of date for swimming next week

*Due to the INSET day
next Friday 28th May,
Year 5 will be swimming
on Monday 24th May.*

Over the next two weeks we will be:

- Learning about explanation text
- In Maths, looking at 2D and 3D shapes.
- Continuing our look at historical changes in the local area.
- Learning more French conversation around the theme of food and drink.
- Be investigating the effects of friction.

There will be no homework set over half term.
