

Time to reflect...
We have been learning about time in maths. Beginning with analogue, then 12 hour and 24hr digital time. The children have also been converting analogue to digital.

A good idea if...
You continue to practise at home - especially 24hr time as this is the area that most find tricky.

Making analogue clocks using Roman Numerals

HOT WEATHER

Now we are officially in British summertime (I know - a shock huh?), we would like to remind you about the following:
Water - drinking regularly throughout the day.
Sun cream - applied before school and if possible in bag for children to re-apply.
Sunhats/caps.

DON'T FORGET TO LOG ON AND WORK ON YOUR TASKS - especially times tables as we have our Y4 MTC Test at the end of the month☺

PSHE

Next week we will be on to our next session 'Having a Baby'. This may lead to questions from your children, however there is a questions/queries box in each class room.
