

Year 6 Learning Letter

Friday 11th June, 2021

Edition No. 13

Maths - applying skills learnt earlier in the year to problem solving and investigative work, with the aim of revising and consolidating prior learning.

English - Writing stories of mystery and suspense.

Spelling - Revision of rules:

Words ending in -ant, -ance/- Words with the /long 'ei' sound.

Geography - Continuing our topic on Sustainability and Climate Change, focusing on food waste and thinking about how to make positive changes to save the planet.

RE - finding out about Hindu sacred writings, and exploring how Hindu beliefs are expressed in Hindu stories.

Design - In Art/DT, we will be beginning work as designers in the style of Vivienne Westwood. The children will be planning to reinvent an article of clothing. Soon they will bring home a copy of their design brief. We hope that you can support their design by supplying an old piece of clothing, plus some materials, which can be reused. A visit to charity shops would be ideal!

RHSE - As mentioned in the previous Learning Letter, here is a list of the dates on which we are planning to teach the lessons on Relationships and Sex Education:

Tuesday, 15th June - 'Changes' (Catch up session from year 5)

Tuesday, 22nd June - Boys' Changes

Wednesday, 23rd June - Girls' Changes

Wednesday, 30th June - Relationships

Monday, 5th July - Conception & Birth

Children are encouraged to discuss what they have learnt in school with you at home. Boys / Girls will be bringing home leaflets for you to go through following the sessions on Boys / Girls changes.

Windmill Hill – The children are beginning to get very excited about our forthcoming visit to PGL at Windmill Hill. Look out for a letter being sent home by ParentMail, which will contain departure details, recommendations for what to take etc.

We will also be issuing forms regarding children's medical and dietary requirements and would be grateful if you could return these as soon as possible, so that we can forward the information to the centre.

As it is quite a long journey, we would like to stress the importance of administering precautionary medication if your child suffers from travel sickness. Thank you!
