## Dragons Den

As you know, Year Six have been working really hard on their Dragon's Den businesses. We were so impressed by the ingenuity, creativity and effort put in by each group and really enjoyed seeing their ideas come to life, money being made and the wonderful presentations to our Dragon's. WELL DONE EVERYONE!

## Reports and SATs results

You may have heard in the news that Year 6 SATs results have been delayed. They should have been published on Tuesday 7<sup>th</sup> July but are currently expected on Thursday 16<sup>th</sup> July. Therefore, when you receive your children's reports later today, they will not contain their May SATs results. There will be teacher judgement of whether they met the expected level in each subject and previous mock SATs results from Spring and Autumn terms. We will write to you next week with results once we have them.

## Leaving North Downs

In the last two days (20<sup>th</sup> & 21<sup>st</sup> July), Year Six will be enjoying their leaving activities, starting with their Gold Star assembly on Monday morning. Following this, we will be sorting out trays and exercise books, so please send in a carrier bag or similar for your child to carry home their work from this year. The Leaver's Disco is on Monday evening, 20<sup>th</sup> July, and then, the Leaver's Assembly is on the morning of Tuesday 21<sup>st</sup> July, we look forward to seeing you all then.
