

WILD, WET AND WONDERFUL WINDMILL HILL

Nothing could dampen the enthusiasm of the children on the wettest Midsummer Day for some time. They certainly challenged themselves and created marvellous memories. What a day!

OVER THE NEXT TWO WEEKS

DESIGN

In Art/DT -The children are already creating amazing designs; please bring in any materials, clothes in a named bag. A few other items are essential too: a hanger, any extra embellishments, pins, badges, ribbons etc., also, also if possible, needle and threads.

TRANSITION Continuing our programme, giving the children confidence to move on.

ENGLISH

Completing their very own story of mystery and suspense.

PE

The children are now busily preparing for their Summer Day on Friday, July 9th.

GEOGRAPHY Thinking of the challenge of 'doing without'. Also, the overuse of plastics.

FIRST AID Continuing with other useful skills.

HOMEWORK

As we move to the end of the school year, our homework is slightly changing; it is time for Year 6 to leave TEAMS for now. Homework will follow the expected daily reading, which should be carried out at home. Class teachers will set post-reading tasks within school time, so the pressure is off parents - just make sure there is a little time for the pleasure of reading.

WELL DONE YEAR 6

Well no SATs this year but the children have just completed 4 days of assessments. We would like to congratulate all the children for their hard work, before and during the recent assessments, especially in their resilience on the return to a new normal school.

ALSO SOME EXTRAS!
