

Forest School with Woodland Wanderers, run by Ashleigh at North Downs, Brockham Site.

Due to unforeseen circumstances, I have had 2 cancellations opening up two spots.

I am very excited to be offering Forest School Club to years R, 1, 2 & 3 for all sites on **Tuesday's from 3:15 – 4:30**. The dates for Forest School are from **Tuesday 8th September to Tuesday 15th December**

The session is a little longer, giving us more time so we can make fire as it gets colder. I will have flood lights for extra light on the shorter days.

(October half term 16th – 2nd November no Forest School)

Bookings are for **13 weeks** - £117 for the Autumn term.

Payment options available, please contact me for further details.

There are limited spaces available, so please email me directly at woodland.wanderers@hotmail.com for bookings.

At forest school, we will delve into the nature around us, discovering how to create using the materials found in our environment. Additionally, we will explore mini beasts and much more.

The activities will help children develop healthy habits related to exercise and foster a love for exploration and adventure in nature. The sessions will be outside on the school grounds, so please wear appropriate clothing. **WARM CLOTHING PLEASE.**
