We are delighted to say, the children continue to settle well into Year 6 life. Fortunately, they are now able to start taking on some of the Year 6 roles in the wider school, which have been set aside for a few years. Fortunately, our PSHE programme will support them through Jigsaw this term is about Being me in my world. This is so important to help build resilience as the children move through their last year in Primary school, ready for their future adventures.
