

Welcome back to the new half term, we hope you all had a lovely break. We have been very jealous of some children telling us all about their visits abroad to warmer places over half term! We have also enjoyed hearing about their family time, Halloween trails, pumpkin carving and other activities.

On Monday we had a lovely autumnal walk to the bonfire, where we had a talk from Mr King and two older pupils, about how the bonfire is built and how fireworks work. We then walked to Poland woods to explore the story of Little Red Riding Hood. The children also had the opportunity to be in mixed groups to build their own bonfire and try various arts and crafts. We look forward to hosting another curriculum day in the spring time at Leigh.

We are Learning:

- English - Exploring Traditional Tales such as Little Red Riding Hood
- Maths - Geometry; 2D and 3d shape
- Science - Continuing to learn about animals including humans.
What do I know about the human body?
- History - Who was Guy Fawkes and why is he famous?
- RE - The Life of Jesus
- Remembrance day inspired artwork
- Phonics - Phase 4 and 5 using Bug Club, including Adjacent consonants
- Computing - What is technology? Looking at technology around us
- PE - Gymnastics indoors and ball skills outdoors
- Jigsaw for this half term - Celebrating differences

Poppies can be purchased from each school office for a voluntary donation

Thank you to all of the adults who enabled the children over both sites to see a variety of pets at the end of last term. The children produced some fantastic non-fiction writing about animals.

They have also been learning how to programme the floor robots to successfully move to different signs and symbols. We use the words algorithm (a set of instructions to complete a task) and debug (to sort out a problem with an algorithm). You can watch this video to discuss it with your child
