

**Well done** to all those children who had the opportunity of acting as tour guides for prospective parents on Open Morning. Many of our visitors commented on how well they had represented and promoted their school.

### Lunch Time and Break Time

### Looking ahead

When it will be possible for the children to use the field at break times, if it is not too wet, they will need to bring in a change of shoes and a carrier bag to put them in. This will apply to PE days as well. If they are playing football then they will also need tracksuit bottoms.

### DT Decoupage

In a few weeks, we will be starting a DT unit of Decoupage. The French word means to 'cut out'. Decoupage involves cutting out pieces of paper, gluing to an object and coating in layers, finishing the final project with varnish - (final varnish task completed by an adult).

We would like the children to bring in their own box for this task, with or without a lid and ideally unvarnished wood. If this is not possible - thick, stiff card container will do. The base theme will be words and we have a selection of old books at school, however, we would love the children to bring in a personal touch from magazines and comics. This will be either a special theme or interest of pictures of choice. Please bring to school by Wednesday 16<sup>th</sup> November.

**COMING UP**

**Geography** - completing our unit on North America and focussing on the USA, specific reference to New York City, which links into Art.

**English** - flashback writing, delving into a wartime flavour.

**Maths** - moving through the four operations and onto fractions - starting with simplifying fractions and finding equivalents.

**Science** - we are starting a topic on Light.

**R.E** - we are starting a new unit - understanding what the Gospels say about the birth of Jesus.

### Windmill Hill
