

# Year 4 Learning Letter

## Friday 2nd December 2022

Edition No. 6

### Christmas Message from Year 4

We can't quite believe that we have reached the end of term. It seems to have flashed by! We are very proud of the way in which all of our pupils have adapted to life in Year 4, rising to new expectations and challenges. Well done to all of them! We look forward to hearing them sing at the Carol Concert!

### Over the last two weeks of term, we will be...

- completing our English work based on poetry and grammar.
- continuing our maths topic based on multiplication.
- investigating tooth decay and the digestive system
- making Christmas wreaths
- continuing our Anglo Saxon adventure.
- completing termly assessments.

Thank you to those who have brought in small items to decorate their Christmas wreaths - tinsel, baubles, pine cones, small ornaments etc. We will be making these on Tuesday 6<sup>th</sup> December.

### Home Learning

Please note that the current homework, which is a maths challenge, is due in by Wednesday 7<sup>th</sup> December 2022. Homework will then resume in January 2022.

However, children should be encouraged to continue their reading habits whilst logging online to practise spelling and times tables.

Why not try these great sites for recommendations and guidance to that perfect reading text.
