

This year we will be celebrating World Book Day on Friday 3rd March.

On the day, we will invite the children to dress as a favourite book character and also provide a single piece of bunting which shares information on their character. There will be no MUFTI charge but a suggestion of a used book donation to pass on. More details to follow.

“February – [How to Build a Bird Box](#) - With natural nesting sites in decline, adding a nest-box to your garden can make all the difference to your local birds. The total area of all gardens in the UK exceeds that of our nature reserves, and as development destroys trees, hedges and old buildings, natural nesting sites are in decline. Nest-boxes placed in gardens can make a real difference to the success or failure of a breeding species in an area, especially when accompanied by the regular supply of suitable food and water.

In science we have made panpipes in sound and DT has revealed future designers with fantastic plans and creations.

What are we up to in class after half term?

- Finishing our English unit based on newspaper reporting.
- Learning about the Romans.
- Investigating the States of Matter.
- French vocabulary centred Au Cafe.
- Discussing “Healthy Me” in PHSE.
- Roman style mosaics & printing in Art.
- In maths we will be beginning our unit on fractions including mixed numbers and improper fractions.

Over half-term the children will be working on their Roman fact File and time line. However, it is vital that the children continue to work on their reading, times-tables and spelling.

PLEASE let us know if your child is having difficulty with accessing the online resources; otherwise, we encourage you to ensure that your child practises the tasks regularly.
