

Coming Soon..

A busy time, do check all info and pictures below!

English: completing the unit of the 'Fantasy Genre' - creating our stories in the style of author Shaun Tan.

Maths: our next block of work is working on algebra, looking carefully at number sequences, substituting numbers for letters /symbols & using a formula, as well as introducing simple equations.

Science: studying The Circulatory System in Humans.

History: beginning our next history topic on the period 789 to 1066 - The Anglo-Saxons vs The Vikings.

Forward note: Many parents are checking about the future dates of SAT's. Following the announcement of the extra Bank Holiday in 2023, SAT's will now take place on the following dates:

Tuesday 9th-Friday 12th May

February 27th

We will once again be taking the Year 6 children to the Junior Citizen event at Epsom Downs, racecourse. This is a multi-agency safety event aimed at Year 6 children, designed to provide children with life skills, which will enable them to keep themselves and others safe. We are delighted that FONDS have again agreed to fund this trip. Permission letters were issued this week and we need these back before we can take the children for this superb morning.

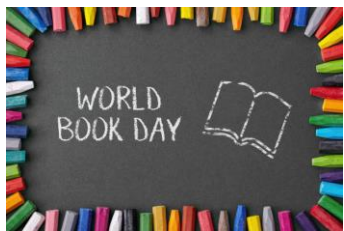

Well done to the following children who were awarded certificates at our recent Celebration Assemblies.

Eagles: Joe S, Leo M, Charlie B, Maya W, Evie S and Orla L.

Kestrels: William C, Heidi D, Emily H, Heidi K, Matteo M, Logan T.

Happy Half-Term

Look at the stars below.

This year, we are celebrating this great day on **Friday 3rd**

March On the day, we invite the children to dress as a favourite book character, also complete a single piece of bunting, which shares information on their character. There will be no mufti charge but a suggestion of a used book donation to pass on. More details near the time

“February - [How to Build a Bird Box](https://www.surreywildlifetrust.org/actions/how-to-build-bird-box) - With natural nesting sites in decline, adding a nest-box to your garden can make all the difference to your local birds. The total area of all gardens in the UK exceeds that of our nature reserves, and as development destroys trees, hedges and old buildings, natural nesting sites are in decline. Nest-boxes placed in gardens can make a real difference to the success or failure of a breeding species in an area, especially when accompanied by the regular supply of suitable food and water.

More information here; <https://www.surreywildlifetrust.org/actions/how-to-build-bird-box>”
