

# Year 4 Learning Letter

Friday 17<sup>th</sup> March 2023

Edition No 11

A huge well done to all the children who have gained a certificate in Celebration Assembly this year so far. Keep up the good work Year 4!

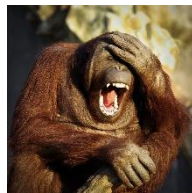

## HIGH ASHURST

We are currently learning some camp fire songs for the High Ashurst trip. We would also like the children to learn a joke they can share with the rest of the group. We look forward to being entertained!

Here's one to get you started...

*"I slept like a log last night.  
I woke up on the campfire!"*

## What are we up to next?

- Learning about decimals in maths.
- Concentrating on the Year 4 Punctuation and Grammar non-negotiables.
- French is continuing worked based on 'Au Café'.
- Continuing our 'Healthy Me' topic in PSHE, leaning about how to keep our bodies and mind healthy.
- In Science we are learning about melting and freezing.
- In RE we will be focusing on Lent and Easter.

**MATHS:** For the next two weeks, the homework will be our half termly Maths Challenge! This time we are asking the children to find as many different ways of making one number as they can. How creative can they be?

**SPELLINGS:** On Monday the children will be given a new spelling list (prefixes, 're', 'sub' and 'inter'. A related activity has been set on Spellzone.

Also, please support your child in using our online resources, Spellzone and Times Tables Rockstars. Little and often really does make a difference.
