### Over the next week we will be:

- Looking at forces in Science.
- Writing our own stories based on ideas from The Boy at the Back of the Class.
- Continuing with **grammar activities - including modal verbs and cohesion.**
- Finishing Area and Perimeter and starting work on **Statistics.**
- Finishing our **clothes** topic in **French**
- Continuing to follow the **Healthy Me** part of the PSHE Jigsaw.

**Home Learning:** Please continue to learn spellings, times tables, do daily reading, and the maths KIRF (square numbers).

### Polite Reminders

**Stationery** - whilst we welcome the children bringing in their own pencil cases, please ensure they are of a small size! Larger cases do not fit in our trays and so need to be kept in bags, to enable the children to have an uncluttered workspace on their table.

We provide glue sticks, long rulers and colouring pens and pencils, as well as handwriting pens (if they do not have their own) and pencils. It is also helpful if handwriting pens are named, as children often have the same type of pen!
