- Maths - Multiplication - counting in 2s, 5s and 10s and making equal groups
- Science - Wild flowers, garden plants and flowers
- RE - Why do Jewish families celebrate Shabbat?
- Art - Making moving pictures by using sliders, split pins and levers
- P.E - Maypole dancing and outdoor games
- Computing - Animated Stories
- Geography - Our local area

Over the last week, the children have had great fun toasting their pitta bread and tasting their dips that they planned and made as part of their Design Technology lessons. They have also planted sugar snap peas and will be bringing these home to look after during Easter. They should return these to school after the break so that we can plant them within the school grounds.

What does a seed need to grow?

1. Water
2. Space
3. Sunlight
4. Soil

Remember to place the pots on a saucer and keep them indoors, ideally on a sunny (ha ha we hope it's sunny!) windowsill. They should be damp, but not soaked. Seedlings should appear before the holidays are over.

Curriculum Day

You will now have received a letter about our upcoming Curriculum Day at Leigh. We are very much looking forward to some sunshine to go with our Outdoor growing and nature theme. If you have a DBS check and can help on the day, please let us know asap.

School Council are holding a cake sale on Tuesday 25th for Leigh Base and Thursday 27th April at Brockham. They are raising money to buy some small food bins for the playground to compost fruit and vegetables to help our school to be more sustainable.

Please can you support this by BAKING and bringing in your delicious bakes to school on the morning of the 25th or 27th. All cakes to the infant kitchen at Brockham and the hall at Leigh please.
