

Year 4 Learning Letter

Friday March 31st 2023

Edition No 12

Residential Visit to High Ashurst

Friday is our last day at High Ashurst. We are returning about 3.30pm. They will be very tired, hopefully not too dirty and will be full of stories!

What are we up to after Easter?

- Starting a new English three week unit based on **'Stories from other Cultures'**.
- Continuing our work on **Decimals** in Maths: Looking at eg making a whole with tenths / hundredths, comparing decimals, halves and quarters as decimals and lots more!
- In science - finishing **'states of matter'** then moving on **'electricity'**
- Topic - we need to finish **'Romans'** then we are going back to a Geography theme and investigating the **Alps**.
- In French, we will be asking the question, **'As tu un animal?'**
- Discussing Relationships in PHSE.
- In DT, we will be looking at **instrument making**
- In computing, we are looking at **'The Internet'** - what's a website, what is the internet made of, who owns it, information sharing.

Swimming

The children performed very well in their swimming gala. Swimming lessons carry on in the summer term.

Forest school may have ended but our work with the Surrey Wildlife Trust has not - exciting news to come!!

Cake Sale

School Council are holding a cake sale on Thursday 27th April, at the Brockham site. They are raising money to buy some small food bins for the playground to compost fruit and vegetables to help our school to be more sustainable.

Please can you support this by **BAKING** and bringing in your delicious bakes to school on the morning of the 27th. All cakes to the infant kitchen please.
