

Welcome to the Summer Term! We hope you had a relaxing Easter break.

We would like to welcome Mrs Prue Kerven to the Brockham site Office Team. Mrs Kerven will be working in the office on Thursdays and Fridays.

Over the next two weeks we will be:

- Continuing to explore and write journalistic texts.
- Continuing work on the geometry, including shape and position and direction in Maths.
- Creating 3D models in computing.
- Investigating the historical development of our local area with a focus on Victorian times.
- Exploring the topic of relationships, via our PHSE programme Jigsaw.
- Continuing to acquire and practise new athletic skills as well as practicing the Oxo Reel ready for Maypole.
- Learning about the life cycles of different types of animals.
- Celebrating the King and Queen's Coronation! Children are invited to come to school dressed in "royal" mufti on **Friday 5th May**. This may be red/white/blue or purple.

Are you a knowledgeable local historian or geographer? We are looking for experts to come into school to talk to our children about our amazing local history and geography this term, please get in touch if you could help!

Please ask you children about Fantastic Fred who visited school on Tuesday morning. Can your child remember what F.R.E.D. stands for? Please see the link below if you would like further information. <https://www.thefantasticfredexperience.com/>

Well done to all the Year 5 children who took part in the Swim Gala last week, a well deserved 3rd place! Huge congratulations to the members of the North Downs Primary School Choir for their stunning performance on Monday evening at Dorking Halls. We are all really proud of you!

Reminders:
