

POETRY

Over the next three weeks we will be looking at poetry, reciting poems aloud, looking at different styles of poems and writing our own.

I WANDERED LONELY
AS A CLOUD
THAT FLOATS ON HIGH
O’ER VALES AND HILLS.
WHEN ALL AT ONCE
I SAW A CROWD
A HOSE OF GOLDEN
DAFFODILS
BESIDE THE LAKE,
BENEATH THE TREES,
FLUTTERING AND DANCING
IN THE BREEZE.
-WILLIAM WORDSWORTH-
DAFFODILS

Maypole: 25th May on the Green, at Brockham - join us from 1.30pm
Puffins will need to be at Brockham for morning drop off on this date (breakfast club available for Early Bird attendees).

Tuesday 6th June - Year 1 trip to the Hannah Peschar Sculpture Garden

All of the children had great fun celebrating the King’s Coronation. The weather was kind and all managed to have a picnic lunch on the field followed by an afternoon of coronation activities.

“**No Mow May** is here! Long grass, peppered with flowers, is one of the rarest habitats in our well-tended gardens, yet it is incredibly beneficial for wildlife. Patches of long grass encourage different plant species to grow, help insects to thrive and create feeding opportunities for birds and small mammals. So simply let nature move in! Set aside some lawn, leaving it to grow, and wait to see what arrives. The less pristine the lawn, the more promising it is for wildlife. You can raise the cutters on your mower to make some paths and leave the rest of the mowing until July or August after plants have flowered. More information here;
