

Year 6 Learning Letter

Friday 9th June, 2023

Edition No. 15

Maths -Applying skills learnt earlier in the year to problem solving and investigative work, with the aim of looking at the use of maths in life.

Geography and PSHE - We will start our new topic by understanding what Climate Change and Sustainable living means.

Science - Continuing to learn about evolution and inheritance; the way in which creatures adapt to their environment and the discoveries and theories of Charles Darwin.

English Continuing to use English in all areas of the curriculum, also a specific interest in poetry. Moving onto studying Girl of Ink and Stars.

History

Time to consider the significance of the Battle of Hastings, by examining the strategies employed at this strategic event; ready for our visit to the site of the battle during our Windmill Hill Trip.

Design - We will be beginning work as designers, in the style of Vivienne Westwood.

The children will be planning to reinvent an article of clothing. Soon they will bring home a copy of their design brief. We hope that you can support their design by supplying an old piece of clothing, plus some materials, which can be reused.

A visit to charity shops would be ideal!

PE - The children have been preparing for the Summer Sports Days; in addition to participating in KS2 activities, some children will be running a number of the KS1 events and offering support to the younger children. Also, following a brief course in Urban Freestyle Dancing

Chessington

A massive thank you to Mrs Clark and her stationery shop; all the volunteer shop assistants also deserve congratulations, for their diligent work over the year, which enabled this fabulous trip. The sun shone and the smiles were beaming!

Thank
You

WINDMILL HILL

As we are finalising details with PGL, please make sure all paperwork and payments are up to date? This includes the medical / dietary forms, which are coming to you this weekend, please return as quickly as possible. Further details will be sent out over the next couple of weeks.

Don't forget to look up and get involved.
