Polite Request

After school, at the Brockham site, we run numerous afterschool extra-curricular activities for the children. These are in addition to our after school care provision, Moles Club.

Ensuring safe supervision for our children is obviously our number one priority. To that end, we ask that all parents, who are collecting children from clubs, **other than Moles**, wait to collect their child(ren) at the school gate, rather than coming onto the school site. The adults running the clubs will bring the children to meet you, to ensure everyone leaves safely. We also ask that parents kindly ensure that other children and pre-schoolers are supervised and are not able to roam the school site or play on the school equipment.

This request is made with safety of everyone in mind and to allow the adults running the clubs to focus on the children who are attending. Many thanks for your understanding and cooperation in this matter.
