

## Curriculum Day: 2<sup>nd</sup> November 2023; All children on Brockham site

### Class helpers

It would be lovely to have more helpers for our classes on a regular basis. This could be for outdoor learning and listening to readers. Even an hour a week would be amazing! Please pop to the office at either site to collect the details you will need to apply for a DBS certificate.

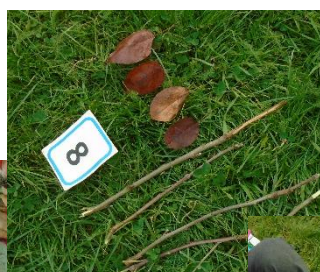

Our new English topic is Our Wild World: Your child is welcome to bring in a book about their favourite animals; this can be either a non fiction book or a story book to share with the class (please write their name inside).

### We are Learning:

- English - Reading, responding to illustrations and creating a narrative.
- Art - Exploring mark making and collage of flora and fauna and insects 
- Maths - Comparing numbers and objects using appropriate language
- Science - Continuing our topic of animals including humans.
- Phonics - long and short 'oo' and ar
- Computing - Using Beebot floor robots to understand position and direction
- Geography - Exploring seasonal changes; summer to autumn. 
- RE - Our World; creation and giving thanks.

### LOTG: Maths Day and Autumn Scavenger Hunt

Penguins and Puffins had great fun learning outside the classroom making leaf faces using natural materials.

Remember: Individual photos will take place next week on Wednesday 4<sup>th</sup> at Brockham & Thursday 5<sup>th</sup> at Leigh – Puffins please come in school uniform and not PE kit.
