

What are we Learning?

- Maths - Finishing our Addition and Subtraction topic focusing on the formal column methods with 4-digit numbers.
- Geography - Continuing with our topic - Rivers and the Water Cycle
- Science - Finishing our topic on habitats
- Art - Pen and watercolour painting linked to The Wind in the Willows
- PE - Tag Rugby and Dance (Charleston)
- Computing - Internet Safety
- English - Understanding the features of discussion writing
- LOTC - Field studies around the river topic
- PSHE - Finishing our current topic - Being Me in My World
- French - My family
- Music - learning to sing Mamma Mia and playing along on xylophones

Feeling Good Week

Year 4 enjoyed various activities liked to our Feeling Good Week.

Water Cycles

As part of our River Topic, the children really enjoyed making and observing water cycles.

River Study - Change of Date - Tuesday 17th October

Suitable Clothing for LOTC Activities

As the weather has now changed, please could the children come in to school each week, with suitable LOTC clothing - such as wellington boots and tracksuit bottoms. Please ensure they are placed in a named bag. Thank You.
