

Year 1 Learning Letter

Friday 1st December 2023

We hope you enjoyed the Christmas performances. The children worked so hard with their lines and songs. Thank you for all your support. They really were all superstars!

What will we be learning?

- English - Writing a short narrative to the John Lewis advert Edgar
- Maths - Subtraction and geometry
- Science - Changing Seasons - Winter is coming
- RE - Why is Christmas so important to Christians?
- Art - D.T project; making Christmas decorations and snow globes
- Phonics - Phase 5 'oa' as ow, o-e, o and oe
- Exploring gymnastics, dance and movement through winter themes
- Outdoor games - ball control

We had great fun making our snow globes!

Computer Logins

Your child will have already come home with a login for the online software that we subscribe to as a school. We will also use logins in the classroom, so that the children can access our Chromebooks. Please encourage your child to start to memorise the login and password in order for it to remain secure and private. We are teaching them not to share their password with anyone else, so that they begin to understand the importance of internet safety and keeping personal details private. This login will be the same from Year 1 all the way to Year 6 and they may sometimes need it to access homework online. If you have any questions, please do pop and ask us.

Wednesday 13th December - Christmas Jumper Day and Elf Run

All children will be taking part in this year's sponsored Elf Run. With Christmas tunes playing, the children will be running as many laps as they can in 15 minutes within their class/year groups and will receive an elf hat as a reward for their hard work!

All sponsorship donations are to be paid via the Just giving pages

<https://www.justgiving.com/fundraising/fondsreindeer> Please share this with your family, friends and basically anyone you know! Thank you for your support, let the fun begin!
