

### DT Project - Homework

As part of our DT project, the children will be making a natural Christmas decoration. We will be asking them to bring in natural objects; such as pine cones, holly and cinnamon sticks. This will be part of their homework project next week. **The children may decide to start looking for materials this weekend.**

The homework will be given out on Monday as usual, but the children will not have to bring their books and materials back to school until the following Monday. **Please, do NOT bring in any nuts, mistletoe or anything else which may be poisonous.**

### What are we Learning?

**Maths** - Continuing to learn our multiplication facts and reviewing learning from this term.

**Geography** - Continuing our 'Mountains' topic and welcoming Jaysen Ganessen Arumugum who has climbed Everest!

**Science** - Continuing to will focus on the role of the mouth and teeth.

**PE** - Basketball.

**Computing** - Coding using Logo

**English** - Focusing on spelling, grammar and punctuation.

**PSHE** - Celebrating Difference

**French** - Continuing work on 'My Family'

**DT** - Making a natural Christmas

## Christmas Production

Thank you so much for all of our parent and carers who were able to come to our carol service. We are incredibly proud of the children as they produced a fabulous performance on Wednesday.
