Thank You

Thank you to Jaysen Ganessen Arumugum who gave the children a truly inspirational talk about climbing Everest as part of their geography topic.

Happy Christmas

The children have been fabulous this term. We are so proud of the progress they have made already this year. We wish everyone a restful and joyful Christmas break!

DT and LOtC

The children made incredible natural Christmas decorations as part of their DT project and had an amazing time exploring winter through our LOtC activities. Thank you for helping your children to bring in such amazing natural resources for them to use.
