

As this is our last Learning Letter of 2023, we would like to take this opportunity to thank you for all your help and support this school year. The children have worked really well they truly deserve a rest!

Wishing you a super Christmas season, from The Year 6 Team.

This is what we will be aiming to cover during the final weeks of term:

History - We are moving onto evacuees in WW2, and this will include our evacuee week (more details will follow in the new year)

English - We are starting a unit on letter writing, from the point of view of an evacuee

Science - Animals including humans

DT - We will be designing and building Anderson Shelters

RE -

Maths - We will be looking at converting units of measure for a week and then moving onto ratio

Step Back in Time

As the children continue to work through our WW2 History unit, we would like to run two special days on Monday 8th and Tuesday 9th January, taking our classes back in time. The children can come into school wearing clothes befitting the 1940's. Please do not spend money buying outfits; simple (no logo) clothes suited to the time are fine. Feel free to add in any extra accessories to suit!

Congratulations to our Gold and Purple Star winner for this term:

Faith
Ruairidh
Isla
Jaycee

Homework

From the start of next term we will be setting homework on a Wednesday and asking for it to be handed in the following Monday. Monday to Monday has not given enough time to mark the homework and we hope the new arrangements still give both weekday and weekend evenings for this to be completed.
