

Merry Christmas

As we head into the last couple of weeks of this term, we would like to take this opportunity to thank you for all your help and support this school year. The children have worked really well, especially this week during our latest assessment week. They will definitely have earned the rest when it comes!

This is what we will be aiming to cover during the final weeks of term:

History - continuing our work on World War 2, looking at the Blitz and events in the year that followed.

English - We are learning about imagery within winter/War poetry.

Science - continuing to investigate light.

DT - We are making propaganda posters and then starting to design our air raid shelters.

RE - looking further into the different accounts of the birth of Jesus, through the Gospels.

Maths - finishing work on fractions, ready to move on to decimals and percentages in the spring term.

PE - we will be continuing with rugby on Wednesdays.

Here is a fun maths Christmas extra to try:

SUCH STARS

Whilst working hard during assessment week, the children have also been having a lot of fun, working on their performances for the Carol concert. The performances were superb and we are all very proud of Year 6, Well done everybody!

We are now looking forward to the last week of term, when we will be enjoying our Elf run, Christmas lunch and other Christmassy activities to round off what has been a long but very productive term.

Coming soon!

HAPPY NEW YEAR
2023
