

'Brockham Arts Club' is the creative arts club based in Brockham.

We are now compiling a list for our new Monday after school club. Please register your interest today!

Our new Monday club will run the same as our Thursday club, which includes collection from NDPS Brockham site and a minibus service to our art studio in Strood green. Unit 3, Tanners court, Brockham. Our studio space sessions provide a fun, relaxed and informal creative arts outlet for the children, which encourages and nurtures their imaginative thinking.

This session will start from school collection time 3/3:15 (Brockham site) until 5.00pm. The cost for the session will be £19 inclusive of travel, snacks and all craft materials used. A 10% Sibling discount is available.

Please register your child's interest here:

brockhamartsclub@outlook.com stating the child's name as well as parent name and contact details.

PLEASE NOTE: Our Tuesday and Thursday after-school sessions are currently full, but we do often have spaces at our 'drop off' Friday club which does not include the school collection. This session runs from 3:30-5pm every term time Friday and has the benefit of being able to be booked on a PAYG basis for only £15 a session.

Thank you!

Amanda, Brockham Arts Club
