

The children have created some fantastic posters on Dinosaurs. They have learnt how posters need to be eye catching full of pictures, information text boxes, labels and a bold title.

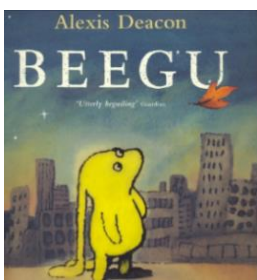

**What we are learning**

- English - Narrative writing/persuasive letter writing around the theme of Beegu.
- Phonics Phase 5; ear as ere and eer; air as are and ear.
- Maths - Addition and Subtraction within 20.
- Science - Investigating uses for different materials.
- Geography - Looking at the local area.
- RE - Learning about Judaism and the importance of the Torah scroll.
- Art - Exploring printing and pattern.
- Computing - Using Purple Mash.
- Learning to dance - The Flamenco.
- Games - Ball control.

Please could we kindly request that you child's reading diary is written in so that we know if the book needs changing. Books will be changed only when the whole book has been read. Thank you.

Reports came in early Monday morning that a friendly alien called Beegu had landed in the grounds of North Primary School. Year 1 children are helping the 'police' with their investigation and will be searching the local area for more clues next week. We plan to go in search for Beegu next Tuesday; we will be looking closely at the local area and it's key features, linking our learning to Geography and later making a simple map of Brockham.
