

Coming Up ...

English: embarking upon a unit of the 'Fantasy Genre' - specifically the work of author Shaun Tan.

Spellings: learning to use syllables well, to aid spelling.

Maths Algebra, before moving onto decimals

Computing starting a new topic after half term - Communications, Systems and Networks.

Science: studying The Circulatory System in Humans.

P.S.H.E: Dreams and Goals.

RE: Christianity - what does it mean to

belong to God's Kingdom?

Art: Making decorate boxes

Parents Consultation sessions are scheduled before Half Term, 6th and 8th February. Online bookings are being set as before. We look forward to speaking with you, to discuss how we can best support your child's progress during this important final year at North Downs School.

Spelling and Grammar

We have started to set SPAG revision homework each Wednesday. We will be asking Year 6 to learn one section of our SPAG poster - the definition of terms with an example to show this. We will be giving the children a small test each Monday to check their knowledge. New tasks have been set on Spellzone.

Life in the Blitz

The children were brilliant this week and have thoroughly embraced their immersion in Britain at War. Thank you, for your help with all the amazing outfits worn by the children. They enjoyed lessons in the style of the 1940s...both in content teaching methods! They learnt Morse Code which they then used to break their own codes and experienced an air raid siren, which was heard throughout the village!

County Football Finals

Congratulations to all of the Year 6 boys who took part in the County Football final at Meadowbank stadium. Playing against the best primary school teams in the county, they played three games, winning 1 and losing 2. Mrs Stowell was very proud of both the skills displayed, and the teamwork shown by everyone who took part.
