

Year 5 Learning Letter

Friday 9th February 2024

Edition No 10.

After half term we will be:

- Reading “The boy at the back of the class” and using it to inspire our writing. **If children have their own copy that would help**, we have enough for 1 between 2. Copies can often be found in charity shops!
- Continuing our work in Maths on decimals.
- Investigating forces in science.
- Continuing to learn about the Maya civilisation in Topic.
- Learning about Networks and systems in Computing.

Children’s Mental Health Awareness Week

The children really enjoyed the activities we have taken part in this week to highlight the importance of our mental wellbeing. Skylarks have been showing off their talents across the week. Both classes have been discussing what it means to have a voice, and why their voice matters.

Mayan house homework

Thank you so much for supporting your child with our Maya house homework. They all worked so hard over a 3 week period, using a wide variety of recycled and other materials to create a marvellous Mayan village! The homework has really inspired the children’s extended writing, resulting in some very persuasive brochures!

Skylark’s book swap

Erin Overton and Sienna Stuart from Skylarks have been working hard every week with the Book Swap display. They set up the books and supervise the swapping each Friday. Well done, and keep up the good work!

Happy half term holiday from the Year 5 Team!
