

Year 6 Learning Letter

Friday, 15th March 2024

Edition No. 12

At this time of year, we are aware that there are many parents who are keen to help their children to have greater confidence in their schoolwork, so that they can deliver their best. This is not only in the run up to KS2 SATS, but also, to make the transition to secondary school as smooth as possible, by preparing their children to be ready to work well in their new setting. In response to this, we are keen to help and are planning to send home a selection of revision tasks to be undertaken over Easter. These will include CGP books, in the following areas:

- Arithmetic and general maths papers;
- Comprehension;
- Grammar and Punctuation, which the children have worked on in class.

The packs of CGP books will be sent out in the last week of term. Please look out for a letter from the office next week.

The deadline for ordering them is next Friday (22nd) and the cost of these will be cheaper than WHSmiths!

Getting secondary ready.

In a further attempt to get the children prepared for their next step in September, we are encouraging independence. The children know that there will be an expectation of good presentation uniform and work! Also being prepared - correct kit and all stationery needed every day.

COMING SOON

English - Biographies

Maths - Area, volume and perimeter

R.E. - Islam

Science - Evolution and Inheritance.

Geography - Europe's physical and human features.

Art - Exploring identity through self-portraits.

French - Les Planètes

PSHE - 'Healthy me'

Swimming

This activity will finish after this term for Year 6 following 2 successful terms of swimming where the children have learnt how to save a life in water!

Junior Citizens Day:

Last Wednesday (6th), the children went on a trip to Epsom Racecourse for a Junior Citizen's morning. In this, they had talks from the RNLI, British Transport Police and Hope UK.

The children were brilliant and listened well, hopefully taking away some vital knowledge that will help to inform their decisions in future.

June 5th

The children are looking forward to their forthcoming trip to Chessington World of Adventures, for a non-ride enthusiast; there will be many other activities available. This fabulous day could not have been possible without the children who have given up their playtimes running the shop, so thank you! However, absolute praise goes to Mrs Clark, who not only had the initial brilliant idea to open the shop, but has also, spent time sourcing varied stock and ensuring that as many Year 6 children as possible, have participated in this venture.

Please ensure that permission slips are returned to school, as soon as possible.
