

We hope you all had a lovely and well-rested Easter break, and have come back ready to hit the ground running this term!

Before the Easter break, your children took home their revision packs. As previously explained in the last Learning Letter, this will prepare the children for SATs as well as keeping them on track right through the Summer Term in readiness for their Secondary Experience! Please use these packs to guide their revision and continue to encourage your child to revise and practice their skills for their upcoming SATs.

...is going to get busy! Here is what we are planning to study during the first two weeks:

English - Revising our skills in comprehension and SPAG and doing a little bit of writing too!

Maths - Shape, looking at calculating and measuring angles in a right angle, half turn and full turn. This will be moving into angles on a triangle.

Science - continuing to work on Evolution and Inheritance.

RE - We will be exploring Buddhism 'What is the Buddhist way of life?'

History - Vikings! Looking at life after the Anglo-Saxons and the invasions of the Vikings.

Art - Our new topic 'Take a seat'.

PSHE - starting our new topic 'relationships'.

Maypole

Practices are in full swing and will be happening most days from now until Maypole day (23rd May).

If you know that your child will not be in school that day, please can you ensure that their teacher is aware so we can plan for their absence.

Leavers hoodies

If your child is ordering a leavers hoodie and would like to try the sizes, we will be bringing samples out on Tuesday after school so that they can be tried on. This will be from 3:15pm on the benches by the ramp outside the Year 5 and 6 building.

Visit from the Dogs Trust

We have arranged a series of workshops with the Dogs Trust next week, with the aim to help children develop important understanding about safe behaviours around dogs. More information can be found here:
