

Next week we will be looking at the book
'The Magical Garden of Claude Monet' by Laurence Anholt
This will continue our theme on nature;
plants, flowers and trees which we have spent looking
at through poetry and scientific exploration.

Please could we have a photo of your gardens in preparation of our
new unit of work. These can be emailed to us or given in their homework books.
We also kindly ask for any donations of seeds and/or any houseplants that may no
longer be wanted.
Thank you in advance.

What we are learning

- English - Letter writing; capital letters and question marks.
- Phonics - j as g(e), g (i), g(y) and j as dge
- Maths - Fractions
- Science - Wild flowers, garden plants and trees; identifying deciduous and evergreen trees.
- Art - Watercolours and exploring mixed media.
- P.E - Maypole dancing and outdoor games
- Computing - Maze builders; understanding simple algorithms.
- Geography - The UK, capital cities and seas around the U.K.
- RE - Understanding Islam and what is important to Muslims

Rethink Waste

Help our school win funding for our eco-project

Rethink Waste have invited our community to join in their school donations scheme. Schools across Surrey County are taking part in this great opportunity, so we're inviting you to help us in this **quest for funding!**

Simply scan the QR code to register
and donate points to our school
