

## Year 3 Learning Letter

Friday 17<sup>th</sup> May 2024

Edition No. 15

Although it took a while to brighten up, we've finally had some sun and Year 3 have been taking advantage of the slowly improving temperature. With less than a week to go until Maypole, we are confident of a great performance on Brockham Green. We hope to see you there on **Thursday 23<sup>rd</sup> at 1.30pm!** As always for Maypole Day, **please send your children to school in their uniform and trainers instead of school shoes.** It would be helpful for Year 3s to have a jumper as well. Please do let us know if your child will be absent on the day as it helps us with the organisation of the dance.

### After Half Term:

- In **English**, we will finish our unit on Non-fiction leaflets, creating our own about the Stone Age.
- In **Maths**, we will finish off learning about time by looking at duration.
- In **P.E.**, we will learn how to play Rounders!
- In **R.E.**, we begin our thematic unit about creativity.
- In **French**, we are looking at the Ancient History of Great Britain which will link with our learning about the Bronze Age and the Iron Age in **History!**

### Camp Night

You will have now received a letter detailing the Year 3 Camp Night which, this year, will take place on **Friday 14<sup>th</sup> June.** If you have a 4-6 man tent you would not mind lending us, *please* contact Mr Evenden or Miss Tennent! We ask that the consent form, medical information and tent offers all be completed and returned before we break up on **Thursday 23<sup>rd</sup> May.** Please may we ask that you let the office know if your child will not be able to attend. Thank you so much!

### Forest School

Flamingos have now finished Forest School for the Half Term. Toucans have one more session on Monday. After Half Term, the other half of Year 3 will take part on **Monday (Toucans) and Tuesday (Flamingos)** mornings. Toucans begin on 10<sup>th</sup> June and Flamingos begin on 3<sup>rd</sup> June.

They will need to come to school with a jumper or fleece; comfortable long trousers (no jeans please) to protect their legs; wellies/walking boots and a pair of gardening or winter gloves. In case of rain, they should have a waterproof coat and trousers to put on over the top of their clothes and on warmer days they will need to have a hat and sun cream please.

### Homework

The Half Termly Maths Challenge was sent home yesterday. This has a time focus and is due **Tuesday 4<sup>th</sup> June.**

### Rethink Waste

## Help our school win funding for our eco-project

**Rethink Waste** have invited our community to join in their school donations scheme. Schools across Surrey County are taking part in this great opportunity, so we're inviting you to help us in this **quest for funding!**

Taking part in the fun activities will help you reduce waste but by completing them, you'll also earn points which can be donated to our school. The more points we receive, the higher our chances of winning funding for our new eco-project!

We're passionate about more greener learning opportunities for our children, will you help us by registering today? Visit the link below!
