

Year 5 Learning Letter

Friday 17th May 2024

Edition No 15

Over the next two weeks, we will be:

- Practising for Maypole and Sports Day.
- Discovering more about Victorians in Brockham and the surrounding area.
- Continuing work on decimals in Maths.
- Completing our learning about clothing in French.
- Completing our work on life cycles in Science.
- Completing our work on 3D modelling in Computing.
- Completing our learning about our relationships with ourselves and others in PSHE.

Final reminder - Year 5 Visit to Juniper Hall Monday 3rd June

The trip will take place on **Monday 3rd June** (straight after half term) meeting at Juniper Hall at **9.30am and finishing at 2.30pm** (Juniper Hall, Old London Road, Mickleham, RH5 6DA, <https://www.field-studies-council.org/locations/juniperhall/>)

We are asking parents and carers to meet us there and collect their children from Juniper Hall at 2.30pm.

We will be outside whatever the weather, therefore the children **must** have appropriate clothing and footwear, waterproof, waterproof trousers, wellies or walking boots, comfortable long trousers (combats or tracksuit trousers), jumper or fleece. Please remember a sunhat and suncream if the weather is being kind to us!

The children will need to bring a packed lunch that day and a water bottle (refill stations are available).

Mrs Boyer and Mrs Goodwin

A big thank you for all your support with our Science project propagating plants. We had a great response and a huge number and range of plants were reproduced. We are continuing to care for and check on the progress of our plantlets with awe and wonder!
