

Year 1 Learning Letter

Friday 14 June 2024

Well done to all the children for a super Maypole and Sport's Day. We hope you enjoyed it as much as us. The children danced very well and it was great to see the whole year group together. We were very proud of them.

Phonics screening check - these are being undertaken with your child by their teacher 1 to 1.

You will be given their score along with their end of year report in July.

North Downs have signed up for 30 Days Wild where each class will be attempting to do a suggested activity each day. Have a look at the website and join in some activities at home. Sign-up for 30 Days Wild 2024

We will be learning...

English - Recounts; through diaries and newspaper reports about the Great Fire of London

Maths - Time and direction

Art/DT - Becoming architects!- beginning to build

PSHE - Jigsaw Piece - Changing Me (Please note that the children will be introduced to new vocabulary related to this unit of work, see separate document)

Re - Why stories are important to people.

Science: Summer and how this affects the plants and animals.

History -The Great Fire of London

Computing -Animated Stories

PE - Golf and outdoor games

In PSHE we are learning about life cycles and how we change over time. To help us understand the changes we go through, it would be lovely to have some baby photos of your children so we can compare them against their current school photo. Please email them to your class teacher or bring in a hard copy.

We are currently learning a song about the Great Fire of London which will be performed in front another year group. Here is the link if your child would like to practice at home.
