

Welcome back to our last half term of Year 2. It honestly has whizzed by, and we are so proud of each and every Woodpecker and Kingfisher for their efforts towards their education this year! We have loads in store this half term, so please stay tuned for the last few weeks of the year.

**Drusillas Park**

We are full steam ahead for our class trip to Drusillas. Thank you to everyone for meeting our payment deadlines. We have attached the original letter with this learning letter as a reminder of what the children need to bring on the day and our timings. **Please note the later return time.**

**KIRFs**

Our last KIRF for Year 2 is:  
**telling the time.**

All information for this can be found on the school website. We spend a lot of our time with digital clocks nowadays, so it is extremely beneficial to all children to help them with reading analogue clocks. Thank you for your support!

**The next two weeks:**

- In **English**, we will be continuing to enjoy write Traditional Tales with a twist!
- In **Maths**, we will finish learning about time before we move onto position and direction.
- In **Science**, we begin our unit on Habitats.
- In **Topic**, we will link with our Science unit and learn about hot and cold places.
- In **P.E.**, we are starting to hone our tennis skills...just in time for Wimbledon!
- In **D.T.**, we will be using our designs to create our own miniature playgrounds!
- In **P.S.H.E.**, we begin our final Year 2 jigsaw piece, 'Changing Me'. **Please take the time to read the attached knowledge organiser so that you are aware of the language we will be teaching and using with the children.**

**Sports Day**

A huge well done to all Year 2 for being such good sports on Sports Day!  
Congratulations to all the children in **Arundel** who were the eventual overall winners!

**!! WANTED !!**

Shoe boxes, pipe cleaners, bubble wrap, packaging plastics and anything that fits the above description would be so helpful for our Science lessons by Monday 17<sup>th</sup> June. Please and thank you!

**PSHE: Changing Me**

For our 'Changing Me' unit, we would love to see some pictures that show how people change throughout their lives. Any pictures of family members, from both the present day and the past would be very appreciated by 19th June please.

**30 Days Wild**

At North Downs we are trying to be more 'Wild' for June by taking part in the 30 Days Wild Challenge. This is sponsored by the Wildlife Trusts and you can find out more information and take part at:  
<https://www.wildlifetrusts.org/30-days-wild>

It would be great to see some photos of the children going wild outside of school too!

**Spellings**

We have practised adding the suffixes '-less' and '-tion' to root words.

There are no rules for these spelling patterns.

Have a lovely weekend!  
Mrs. Tubb and Miss Westwood
