

Year 3 Learning Letter

Friday 14th June 2024

Edition No. 16

As we have begun this final half term, Year 3 are working hard in all their learning and have enjoyed the first two weeks back to school. Now that the weather has had moments of improvement, we have been enjoying using the outside spaces more and hope to do so for the rest of the term. What a great turnout for Sports Day; thank you to all those who attended and we hope you enjoyed the sporting events. Well done Year 3 on their first KS2 Sports Day.

As you'll also now know, Camp Night is tonight! We look forward to seeing you at **Betchworth at 5pm**. Please remember to **use the pedestrian gate (accessible from the field at the back of the school)** and, if possible, have your **child use the toilet** before meeting us there! Tomorrow morning, pick up from the Hall between **8 and 8.30am**.

The next two weeks:

- In **English**, we are learning about play scripts.
- In **Maths**, we begin learning about 2D and 3D shapes.
- In **Science**, we are learning about nutrition and the human body.
- In **Computing**, we will continue our work on Scratch learning about coding and algorithms.
- In **History**, we will begin learning about the Bronze Age.

PSHE: Changing Me

Over the next few weeks in PSHE, Year 3 will be learning about the changes that will occur in their bodies over the coming years, including those which enable human reproduction. This teaching is delivered factually and builds on the work started in Year 2. The PSHE Knowledge Organiser is accompanying this Learning Letter.
