

Last week we finished our unit of work on The Great Fire of London. The children had great fun burning their houses and then writing a recount based on their experience of watching their houses burn. They have also designed and made some amazing architectural constructions using their imaginations.

## Maths

Recently, we have started to look at telling the time, coins and notes, which some of the children have found challenging. It's not surprising as so many payments are done online and contactless these days! Here are some games to support this learning.

You could also gather some coins together to play shops at home too. Or go to the shops in town.

## Moving Up day ! Tuesday 2<sup>nd</sup> July 2024

The children will be meeting their new teacher on Tuesday and be enjoying some fun activities inside and out. They will be entering and leaving from their new classroom exit and coats and bags will be placed in the classrooms cloakroom.

Ms Gahan and Miss Westwood are very excited to share the day with Penguins and Puffins!

## We will be learning...

English - Comparing books by Julia Donaldson; the Snail and the Whale, Squash and a Squeeze and Superworm.

Maths - Measurement; time and money

Art/DT - Mechanisms; making a moving picture with sliders and levers.

PSHE - Jigsaw Piece - Changing Me (Please note that the children will be introduced to new vocabulary related to this unit of work)

Please refer to the knowledge organiser emailed to you on 10<sup>th</sup> June 2022.

Re - Why stories are important?

History -The Great Fire of London

Computing - Animated picture; creating an e-book.

PE - Golf and outdoor games
