

Year 3 Learning Letter

Friday 12th July 2024

Edition No. 18

This is our last Learning Letter of Year 3! Well done to the children for working so hard and thank you for all your support throughout the year. It has been such a pleasure to work with such brilliant children and we wish them all the success for Year 4.

Have a wonderful summer holiday, and all our best wishes for the future, Mr Evenden, Miss Tennent, and all our fabulous Teaching Assistants: Mrs Appleton, Mrs Dibble, Mrs Powell, Mrs Sanders, and Miss Stroud!

Next week:

- In **English**, we finish our last piece of writing with a poem inspired by Michael Rosen.
- In **Maths**, we will finish Year 3 with practising drawing tables and charts.
- In **Science**, we finish learning about animals' bodies by looking at vertebrates and invertebrates.

Homework

Thank you to all those who have supported their children through their homework this year. The Half Termly (Summer Holiday) Maths Challenge went home yesterday and is another strategy to support fluency in multiplication tables and one way to help your child over the Summer Holidays.

Messages from the future (Year 4)...

Mrs Chase and Miss Witcher would like to thank those who attended the High Ashurst meeting last week. For those who were unable to attend, the

PowerPoint can be found through this link:

<https://www.northdowns.surrey.sch.uk/page/?title=High+Ashurst&pid=703>

Secondly, a reminder that the future Parrots and Macaws will be having a Roman Day on **Friday 6th September**. Please see the details on the letter given out on Move Up Day which is also attached to this email.

More ways to help your child this Summer:

1. Enjoy the TTRS Battle set up for the Summer (focus on the **Garage** option).
2. Continue working on Spellzone and working on the Year 3 and 4 National Curriculum words that we began this academic year.
3. Keep reading! Libraries across Surrey offer a fantastic Summer Reading Challenge to help children keep reading over the summer. It is free to sign up to your local library, and the theme for the Challenge this year is 'Marvellous Makers' in celebration of the creative arts.

Swimming

You will have received an email this week regarding the Swimming Gala on **Tuesday 16th July**. The children will compete in their houses, in ability level races and it is a fantastic event that we are so lucky to offer. Please make sure your child has their **swim kit and a pair of flip flops** in preparation for the event in the morning! This week is the last of the swimming lessons in Year 3.

Reminders

Your child will be bringing home their school report today. Please also look out for their SEN passport if applicable.

Please send your child to school with a carrier bag on Monday for their exercise books. Any books that don't come home will be passed up to be used at the start of Year 4.

We break up for Summer on **Friday 19th July at 1.15pm (KS1 at 1pm)**.

Have a lovely weekend and a fantastic summer when it comes, thank you for being amazing,
Mr. Evenden and Miss Tennent
