

What are we Learning?

Maths - 'Position and Direction' and outdoor learning problem solving

English - Writing non-chronological reports

Science - Learning about electricity

History - continuing with our topic on Anglo-Saxons

Computing - Using repetition to code a game in Scratch

PE - Swimming and rounders

PSHE - Changing Me

French - 'Chez Moi' At My House

Reminder - Move Up Day

Macaws and Parrots will experience a day in Year 5 next **Tuesday 2nd July**. The children will be told who their next teacher will be on Monday 1st July and they will bring a slip home to let you know. We have also given the children an opportunity to discuss their thoughts and feelings about their next exciting step! The children will need to bring in their water bottles, lunch boxes and a reading book. **If they swim on a Tuesday, the children will need to bring in their swimming kit.**

Anglo Saxon Home Learning

We were absolutely blown away with the brilliant effort the children made for their Anglo-Saxon artefacts for the Sutton Hoo Home Learning projects. It was wonderful to see the wide variety of methods and materials and listening to the fascinating facts the children presented to the class. KS2 enjoyed the 'museum' we created on Wednesday. Thank you for supporting with this creative homework.
