

Year 4 Learning Letter

Friday 12th July 2024

Edition No. 18

What are we Learning?

Maths -Data collection and data handling
English -Complete non-chronological report leaflets
Science -continuing our learning about electricity
History - How dark were the Dark Ages?
Computing - Completing a National Wellbeing survey
PE - Swimming Gala and rounders
PSHE - Changing Me lesson 6
French - 'Chez Moi' At My House

Message from Year 5

In readiness for Y5, if you can invest in a named copy of The Explorer for the start of the September term, that would be a great help. Please save it for September reading so there's no spoilers! SMALL pencil cases are allowed but table space is always a premium so we always emphasise small! A good handwriting pen (blue or black) is used from the beginning of the year regardless of a Y4 pen licence - if you can provide one, that is always helpful to their handwriting prowess.

End of Term Reminders

Reports

Your child will be bringing home their school report today. Please also look out for their SEN passport if applicable.

Return Books

On Monday, please can the children return all class books and any other school resources that may be lurking under beds or in the bottom of bags.

Bring a Bag

Some of the children's exercise books will be going straight up to Y5. However, we will be sending the rest home on Thursday so please give your child a carrier bag to help transport their work.

Swimming Gala - Wednesday

End of Term

We will be breaking up for the summer on Friday 19th at 1:15pm.

Thank You!

Well done to the children for working so hard and thank you for all your support throughout the year. It has been such a pleasure to work with such brilliant children and we wish them all the very best for Year 5.

Have a wonderful summer and all our best wishes for the future,

Mrs Chase, Mrs Marshall-Bailey,
Mrs Evenden, Mrs Edwards, Mrs Mann,
Mrs Redpath and Mrs Munroe

Summer Learning Ideas

- Continue to use TTRS focusing on division questions and trying to improve your Rock Status.
- Continue working on Spellzone and working on the Year 3 and 4 National Curriculum words.
- Keep reading! Libraries across Surrey offer a fantastic Summer Reading Challenge to help children keep reading over the summer. It is free to sign up to your local library, and the theme for the Challenge this year is 'Marvellous Makers' in celebration of the creative arts.
