

Year 2 Learning Letter

Friday 25th September 2026

Well done to all those children who have been reading and completing maths daily, we have loved giving out so many house points to those children! Please remember to read with questioning and complete daily KIRF's. Please also remind your child to remember to bring their reading diary to school every day.

Thank you for all your help and support with the settling into Year 2, we are so proud of the children's efforts to adapt to the new school year!

The next two weeks:

- In **English**, we will be moving on to poetry.
- In **Maths**, we begin our addition and subtraction topic focussing on 2 digit numbers.
- In **Science**, we will continue our learning about the properties of materials and material suitability - finding what material makes the best tea bag.
- In **Topic**, we are looking at Victorian toys and learning about important changes for the history of toys.
- In **P.E.**, we are working on various ball skills, as well as developing our gymnastics skills.
- In **R.E.**, we continue to examine the question 'what do Christians believe God is like?'
- In **ART**, we have been looking at composition of natural materials.

World Mental Health Day 10th October

We are celebrating World Mental Health Day on 10th October. Pupils will be participating in activities such as Feeling Good whole school homework and a focus on 'embracing emotions'.

Helpful resources to support your family's wellbeing are:

<https://www.positive.news/>

<https://actionforhappiness.org/10-keys>

Thanks for your support and participation.

Spelling Homework

Today, we have started sending home the children's weekly spelling pattern to learn. As mentioned at Meet the Teacher, the spelling sheet will be stuck in the homework diary on a Friday and the children need to complete a Spelling Bingo Grid activity by the following Wednesday please. (The bingo grid is stuck inside the front cover of the homework book).

We also recommend daily practice of the Spelling pattern and so give some examples of words using the pattern. Just a reminder the children are learning the pattern and corresponding rule NOT just the words.

Thank you for your help.

Please ensure your child has a raincoat in school every day.

Have a lovely weekend,

Ms Gahan and Miss Westwood
