

Year 3 Learning Letter

Friday 21st March 2025

Edition No. 11

Here is the last Learning Letter of the Spring Term, how fast that term has flown by! A reminder that we break up for the Easter holidays on **Friday 4th April at 1.15pm** (KS1 at 1.00pm). The Year 3 team have all been so impressed with the determination and focus shown this term, let's keep it up for the Summer. Fingers crossed we get some more weather like yesterday before we break up!

The last two weeks of the Spring term:

- In **English**, we will cover SPaG areas for consolidation.
- In **Maths**, we will learn about capacity, looking at litres and millilitres.
- In **Science**, we will be looking at vertebrates and invertebrates.
- In **Geography**, we will be creating a sketch map of Brockham.
- In **R.E.**, learning about Sukkot and Shabbat.
- In **P.S.H.E.**, we will return to our Fitness Challenge set at the start of the term to see how we've improved on our skills.
- In **Computing**, finishing our Scratch basketball games!

Next term notes

For the Summer term, swimming pauses for children in the **Thursday** groups. The children that have been swimming in the in the **Tuesday** booster groups will continue to swim and a letter regarding any changes to swimming days will be sent out in due course.

Spelling Pattern

- 17/03:** add the prefix 'sub-' to root words.
- 24/03:** revise all this term's patterns.
- 31/03:** revise all this term's patterns.

School Council Bake Sale

We would love if families could kindly donate a **NUT FREE** bake to our cake sale on **Thursday 3rd April** at Brockham from 3-3.45pm.

Biscuits, cakes, fairy cakes whatever you fancy!

Please list ingredients for vegan/dairy free bakes. We are also running a book stall so if you have any books you would like to donate - please bring to school on the same day. We are raising money for a mobile library run by the children. If your child is a school councillor and can help run the stall after school, please let Mrs Boyer know via the office.

This would also be a brilliant opportunity to link in our Maths work on mass and capacity in Year 3, if you need an academic angle! Thank you so much!

Homework

Yesterday, we set our Half Termly Maths Challenge which links with World Maths Day on **Wednesday 26th March** and this will be due after the Easter break. No homework or spellings will be set for the rest of this term.
