Edition No. 4

Respect Compassion Responsibility Courage

High Ashurst

We all had such an amazing time at High Ashurst. We are so proud of all the children for meeting their own personal challenges. The children were brilliant and had a great time in their day groups doing various activities. We had a campfire and a disco to finish our adventure off! The smiles on their faces and the teamwork that they all displayed was truly heart-warming.

We are Learning

Maths – Multiplication and division
English – non-chronological reports on Orchestral families.
Science – Sound
History – Romans leaving Britain
Computing – Understanding hardware and software
R.E. Islam – How does worship show what is important to Muslims?
PE – Gymnastics and Basketball
PSHE – Celebrating Difference
French – The Romans
Art – Exploring Pattern
KIRF - I know the 9 and 11 times tables

Pen Licence

The children are getting incredibly excited about earning a 'Pen Licence' enabling them to write in pen in school. At first, we will be giving chosen children a pen and a 'provisional pen licence'. They need to demonstrate controlled, fluent and joined handwriting in pen and will later be given a full pen licence certificate. We have pens in school.

Homework

Please encourage your child to regularly practise their spellings, play on Bug Club and Times Tables Rock Stars.

Spelling for the next 2 weeks:

W/C - 8/11 – accident, believe, calendar, complete, laugh
W/C – 15/11 – different, exercise, grammar, interest, before

Please also continue to practice other spellings on Bug Club regularly.

Don't forget to TTRS too!

Spelling

We are launching spelling! The children will be given 5 words to learn for their homework that we will teach them on a WEDNESDAY. They will then be followed up in our lesson on the following TUESDAY following on from the handing in of their homework.
